The use and installation must conform with local codes or, in the absence of local codes, with either the *National Fuel Gas Code, ANSI Z223.1/NFPA 54, Natural Gas and Propane Installation Code, CSA B149.1, or Propane Storage and Handling Code, B149.2, or the Standard for Recreational Vehicles, ANSI A 119.2/NFPA 1192, and CSA Z240 RV Series, Recreational Vehicle Code, as applicable.*

THIS INSTRUCTION BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION. PLEASE READ AND KEEP FOR FUTURE REFERENCE.

If you are assembling this unit for someone else, give this manual to him or her to read and save for future reference.

Installation should be done by a qualified service person.

Use only Blue Rhino Global Sourcing, Inc. factory-authorized parts. The use of any part that is not factory-authorized can be dangerous and will void your warranty.

WARNING
FOR YOUR SAFETY:

For Outdoor Use Only
(outside any enclosure)

WARNING
FOR YOUR SAFETY:

1. Improper installation, adjustment, alteration, service or maintenance can cause injury or property damage.
2. Read the installation, operation and maintenance instructions thoroughly before installing or servicing this equipment.
3. Failure to follow these instructions could result in fire or explosion, which could cause property damage, personal injury or death.
4. This instruction manual contains important information necessary for the proper assembly and safe use of the appliance.
5. Read and follow all warnings and instructions before assembling and using the appliance.
6. Follow all warnings and instructions when using the appliance.
7. Keep this manual for future reference.

DANGER

If you smell gas -

1. Shut off gas to appliance.
2. Extinguish any open flame.
3. Open lid.
4. If odor continues, keep away from the appliance and immediately call your gas supplier or your fire department.

WARNING
FOR YOUR SAFETY:

1. Do NOT store or use gasoline or other flammable liquids or vapors in the vicinity of this or any other appliance.
2. An LP cylinder not connected for use shall not be stored in the vicinity of this or any other appliance.

DANGER

Never operate this appliance unattended.

Conversion Instructions
1 DO NOT RETURN TO PLACE OF PURCHASE.

For assistance, call **1.800.762.1142** toll-free. Please have your Owner's Manual and grill model number available for reference.

Note: The grill model number is printed on a label which can be found on the inside door, back or side of the cart assembly.

Assembly Tips:

1. Select an area where you will assemble this product. To protect components, choose a smooth surface that's free of cracks or openings.
2. Spread out all parts.
3. Tighten all hardware connections by hand first. Then, before completing each step, go back and fully tighten all hardware. Be careful not to over-tighten. That could damage surfaces or strip threads.
4. For best results, complete each step in the order presented.

To complete assembly you will need:

- (1) Leak detection solution (instructions on how to make the solution are included in the "Operating Instructions" section of this manual).

Typical conversion is approximately one hour.

2 Remove Gas Cooking Grids and Heat Plates

3 Remove Burners

Conversion Instructions (continued)

4

Remove Main Burner Orifices

5

Remove Side Burner Grid, Igniter Wire and Side Burner

6

Remove Side Burner Orifice

- ▲ **ATTENTION :** Ce barbecue a été modifié afin de pouvoir être utilisé avec du gaz naturel.

Conversion Instructions (continued)**12**

Perform a Leak Check (see page 7)

**DANGER**

If you smell gas -

1. Shut off gas to appliance.
2. Extinguish any open flame.
3. Open lid.
4. If odor continues, keep away from the appliance and immediately call your gas supplier or your fire department.

1. Do NOT operate if gas leak is present. Gas leaks may cause a fire or explosion.
2. You must follow all leak-checking procedures before operating. To prevent fire or explosion hazard when testing for a leak:
 - a. Always perform leak test before lighting the grill and each time the natural gas line is connected.
 - b. No smoking. Do NOT use or permit sources of ignition in the area while conducting a leak test.
 - c. Conduct the leak test outdoors in a well-ventilated area.
 - d. Do NOT use matches, lighters or a flame to check for leaks.
 - e. Do NOT use grills until any and all leaks are corrected.

If you are unable to stop a leak, disconnect the natural gas supply. Call a gas appliance serviceman.

Installing Natural Gas Line

Installation should be done by a qualified service person.

- ▲ CAUTION: If young children are in the area, a locking valve should be considered.**

Connecting Natural Gas Line

- Before connecting, be sure there is no debris caught in the head of the natural gas line, head of the grill natural gas line or in the head of the burner or burner ports.
- Connect grill natural gas line to natural main gas line.

Disconnecting Natural Gas Line

- Before disconnecting, make sure the natural gas main line valve is "OFF."
- Disconnect grill natural gas line from natural gas main line.

Operating Instructions

Checking for Leaks

Burner Connections

- Make sure the regulator hose and valve connections are securely fastened to the burner and the tank.
- Visually check the connection between the burner/venturi tube and orifice.
- Make sure the burner/venturi tube fits over the orifice.

- ▲ WARNING: Failure to inspect this connection or follow these instructions could cause a fire or an explosion which can cause death, serious bodily injury or damage to property.**

- Please refer to diagram for proper installation (Figures 1, 2 and 4).
- If the burner/venturi tube does not rest flush to the orifice as shown, please contact 1.800.762.1142 for assistance.

Tank/Gas Line Connection

- Make 2-3 oz. of leak detection solution by mixing one part liquid dishwashing soap with three parts water.
- Make sure control knobs are in the "OFF" position (Figure 3).
- Connect NG main line per "Installing Natural Gas Line" section.
- Turn "ON" natural gas main valve.
- Spoon several drops of solution, or use a squirt bottle, at all "X" locations (Figures 1, 2 and 4).
 - If any bubbles appear, turn natural gas main valve "OFF," reconnect and re-test.
 - If you continue to see bubbles after several attempts, turn natural gas main valve to "OFF." Disconnect natural gas line and contact 1.800.762.1142 for assistance.
 - If no bubbles appear after one minute, turn natural gas main valve to "OFF," wipe away solution and proceed.

Limited Warranty

Blue Rhino Global Sourcing, Inc. ("Blue Rhino") warrants to the original retail purchaser of this product, and to no other person, that if this product is assembled, maintained, and operated in accordance with the printed instructions accompanying it, then for a period of one (1) year from the date of purchase, all parts in such product shall be free from defects in material and workmanship. Blue Rhino may require reasonable proof of your date of purchase. Therefore, you should retain your sales slip or invoice. This Limited Warranty shall be limited to the repair or replacement of parts, which prove defective under normal use and service and which Blue Rhino shall determine in its reasonable discretion upon examination to be defective. Before returning any parts, you should contact Blue Rhino's Customer Service Department using the contact information listed below. If Blue Rhino confirms, after examination, a defect covered by this Limited Warranty in any returned part, and if Blue Rhino approves the claim, Blue Rhino will replace such defective part without charge. If you return defective parts, transportation charges must be prepaid by you. Blue Rhino will return replacement parts to the original retail purchaser, freight or postage prepaid.

This Limited Warranty does not cover any failures or operating difficulties due to accident, abuse, misuse, alteration, misapplication, improper installation or improper maintenance or service by you or any third party, or failure to perform normal and routine maintenance on the product as set out in this owner's manual. In addition, the Limited Warranty does not cover damage to the finish, such as scratches, dents, discoloration, rust or other weather damage, after purchase.

This Limited Warranty is in lieu of all other express warranties. Blue Rhino disclaims all warranties for products that are purchased from sellers other than authorized retailers or distributors, including the warranty of merchantability or the warranty of fitness for a particular purpose. BLUE RHINO ALSO DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. BLUE RHINO SHALL HAVE NO LIABILITY TO PURCHASER OR ANY THIRD PARTY FOR ANY SPECIAL, INDIRECT, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES. Blue Rhino further disclaims any implied or express warranty of, and assumes no responsibility for, defects in workmanship caused by third parties.

This Limited Warranty gives the purchaser specific legal rights; a purchaser may have other rights depending upon where he or she lives. Some jurisdictions do not allow the exclusion or limitation of special, incidental or consequential damages, or limitations on how long a warranty lasts, so the above exclusion and limitations may not apply to everyone.

Blue Rhino does not authorize any person or company to assume for it any other obligation or liability in connection with the sale, installation, use, removal, return, or replacement of its equipment, and no such representations are binding on Blue Rhino.
